JEREMY GIMENEZ

IT Specialist | Aspiring Cybersecurity / SOC Analyst

jeremy.gimenez7@gmail.com | linkedin.com/in/jeremy-gimenez-74589b134 | github.com/jeremygimenez7

SUMMARY

IT Specialist with 3+ years of hands-on technical support, troubleshooting, and system administration experience seeking a cybersecurity / SOC role. Dedicated to delivering excellent customer service and supporting modern workplace technologies.

CERTIFICATIONS

CompTIA A+ (Earned)
CompTIA Security+ (Earned)
CompTIA CySA+ (Earned)

TECHNICAL SKILLS

Security Tools & Concepts: SIEM, SOAR, Log Analysis, Threat Detection, Incident Response
Networking: DNS, DHCP, VPNs, Network Traffic Analysis
Operating Systems: Linux (Ubuntu, CentOS, Debian), Windows
Identity: Active Directory; access and permissions management
Troubleshooting: Hardware/Software Diagnostics, Server Maintenance
Languages: English, Spanish (fluent / bilingual)

PROJECTS

AI-Powered SOC & Security Monitoring Lab | Wazuh SIEM (Home lab)
Deployed Wazuh SIEM on an Ubuntu Server VM, enrolled a Windows endpoint, configured File Integrity Monitoring and reviewed alerts; combined it with an OpenAI-powered SOC analysis component to explore AI-assisted alert triage.

CompTIA CySA+ Home Lab - Secure Browser & Threat Detection Simulation (Home lab)
Built a virtual machine lab to simulate and detect threats using open-source tools, basic SIEM functionality and log analysis.

WORK EXPERIENCE

IT Specialist - Spencer Gifts (June 2022 - Present)
- Provide Tier 1-2 technical support across hardware, software, Windows OS, printers, VPN.
- Manage access and permissions via Active Directory; troubleshoot connectivity issues.
- Assist with system provisioning and configuration across on-premises and cloud.
- Monitor system logs, escalate incidents and support root cause analysis.
- Document troubleshooting procedures and share knowledge to reduce manual overhead.

Warehouse Associate - Ross Distribution Center (Sept 2016 - June 2019, Nov 2020 - June 2022)
- Optimized product movement through problem-solving and workflow improvements.

Recreation Assistant - Mecklenburg County (June 2019 - Nov 2020)
